Puppy Manners: Those early weeks are such a critical developmental period for your pup and the perfect time to start training. This class is for puppies 10-20 weeks old (at the start of class) with at least 2 sets of vaccination shots. You will learn to teach your puppy to *Sit*, *Down*, *Come*, *Leave It*, *Wait*, *Drop*, and how to walk nicely on a loose lead. Topics during class will include: Housetraining, crate training, mouthing or biting, jumping up and socialization. Class runs for 6 weeks for 1 hour.

Obedience Basic/Inter/Advanced: Classes are available for the first time Beginner to Advanced. You will learn to teach your dog to *Sit*, *Down*, *Come*, *Stay*, *Leave It*, *Wait*, *Settle* and *Drop It* along with *Loose Lead Walking* to more rigid heeling and off lead reliability. Every week offers helpful topics for problem solving and enhancing the health and relationship with your best friend. Class runs for 6 weeks for 1 hour.

Agility Basic/Inter/Advanced: Looking for an outlet for your dog*s energy? Agility is a great way to exercise, build confidence and just have fun together. The Class is on lead and requires basic obedience control at the basic level. As you progress you move to off leash control and train on more complex courses. Class runs for 6 weeks for 1 hour.

Introduction to Nose Work (NEW)—Dogs have an amazing sense of smell and a natural desire to hunt. This class focuses on teaching you how to encourage and develop your dog’s natural scenting abilities by using their desire to hunt and their love of toys, food and exercise. It’s a great class for your dog to have fun, build confidence, and burn lots of mental and physical energy and to find out just how good is your dog’s nose.

AKC Canine Good Citizen (CGC): This class preps your dog to earn an official certification from the American Kennel Club (AKC). This course prepares you & your dog for the AKC*s Canine Good Citizen (CGC) test. Each of the 10 test items are practiced. Price includes CGC test that is administered by an official AKC Canine Good Citizen Evaluator during the final Class. Class runs for 5 weeks for 1 hour.

Tracking: This is the basics in training you and your dog to track for human scent. No previous obedience required. Geared toward training the dog at their own level and pace. Whether for fun or AKC competition, it can be a great confidence builder and dogs are able to utilize one of their greatest senses!!

Therapy Dog Training: This class prepares you for taking one of the many Therapy Dog Programs that are available in the local area. You will be exposed to Medical Equipment along with children you may be exposed to in your working experience. This class includes field trips to a local facility with an instructor. This class runs for 8 weeks.

Treadmill Fitness: This class is a good way to learn how to use your treadmill and the fundamentals and practical experience on how to perform general K9 stretches. It is a great way to help your dog with focused energy release. Drop Ins or attend for 4 sessions for a fitness program.
